Alexandra Ward: An Introduction

The Alexandra Ward stretches from the outskirts of Oldham town centre to Holts Village on the outskirts of Lees, with neighbourhoods sitting either side of the green corridor starting at Alexandra Park and running through to Park Bridge.

To the West, the neighbourhood of Hathershaw has a large proportion of privately rented properties, and pockets of social housing managed by different providers.

The area is a diverse mix of mainly Pakistani and White-British households, with an increase in the number of recently settled families from different backgrounds, in particular those of Eastern European heritage. To the North of Hathershaw lies Eldon Street Estate, a compact area of social housing, mostly flats, managed by First Choice Homes (FCHO), where there is a high concentration of residents living in challenging circumstances.

On the other side of Alexandra Park, the Glodwick community from St Mary's Ward extends into the housing running down Abbeyhills Road. Further down, there is a development of newer private housing clustered around the lower end of Warren Lane.

The Eastern end of the Ward is largely taken up by two large housing estates - Alt and Holts - where there has been a reduction in socially rented properties (managed by FCHO) and an increase in private rentals. The tenure change has also been symptomatic of the demographic change in these estates, which are more diversely populated. These areas can be relatively isolated because of their geographic situation, and relative lack of public transport access. The neighbourhoods are further away from most amenities, however, they benefit from close proximity to local countryside in Lees Brook and towards Hartshead Pike.

The ward has seen a rise in population density in nearly all neighbourhoods. The main concerns for residents in this ward are split by neighbourhood: in Hathershaw the main issues are environmental and cohesion, in Alt it is activities for children and families, in Holts it is environmental issues and ASB, in the Eldon Street estate it is crime and ASB, and along the Abbey Hills corridor and Warren Lane area it is mainly environmental issues.

Crime Map Information

The map (and chart to the left) use data on all crimes recorded between 1st April 2023 and 31st March 2025.

The areas of the map are coloured according to the percentage of total crimes recorded in each small area. Lower rates are green, middle rates are orange, and higher rates red.

It is not possible to show background mapping at the moment, but hovering over an area gives the name of the neighbourhood.

Trust

Trust Map Information

The map to the left shows data from [work by the 'Onward' organisation](#) that measures social trust. They surveyed residents, asking if others could be trusted.

Where values are positive (coloured green), people tended to trust more. Negative values (red) are where people tend not to trust others.

Grey areas are mainly or wholly in a different ward. The areas are Middle Super Output Areas (statistical areas)
